An executory contract or lease not specifically mentioned above is treated as rejected.

8. Upon confirmation of the plan, property of the estate will remain property of the estate, but title to the property shall revert in the debtor(s). With respect to secured claims being paid through the plan, the holders of secured claims shall retain liens until the earlier of payment of the underlying debt, as determined under non-bankruptcy law, or discharge under 11 U.S.C. § 1328(a). If this case is dismissed or converted without completion of the plan, all liens shall be retained to the extent recognized by non-bankruptcy law. The terms of the debtor(s) pre-petition agreement with a secured creditor shall continue to apply except as provided for in this plan, the Order confirming the plan or other Order of the Court. Completion of all plan payments shall impose an affirmative duty on secured creditors paid under the plan to satisfy liens as required by applicable law. Any party entitled to collect child support or alimony under applicable non-bankruptcy law may collect post-petition obligations from the income or assets of the debtor-parent/spouse without further order or relief from the automatic stay. Any claim for pre-petition child support or alimony must be collected in accordance with 11 U.S.C. § 507(a)(1) and 11 U.S.C. § 1322(a)(2).

To receive payment from the chapter 13 trustee, a secured creditor must file a proof of claim. Secured claims which are not filed within the time required by Fed. R. Bankr. P. 3002(c) may be disallowed or subordinated to other claims upon further order of the Court.

Confirmation of this plan does not bar a party in interest from objecting to a claim which is not filed in accordance with Fed. R. Bankr. P. 3001 or Fed. R. Bankr. P. 3002.

If property is to be released or otherwise surrendered pursuant to this plan, the creditors holding a lien on, or interest in, the property to be released must provide the chapter 13 trustee with acceptable evidence of perfection of the lien or interest, otherwise the property may not be released or surrendered.

Any creditor holding a claim secured by property which is removed from the protection of the automatic stay, whether by judicial action, voluntary surrender, or through operation of the plan, will receive no further distribution from the chapter 13 trustee, unless an itemized proof of claim for any deficiency is filed within a reasonable time after the removal of the property from the protection of the automatic stay. The preceding language does not apply if the sole reason for its application arises under 11 U.S.C. § 362(c)(3) or (c)(4). Any funds that would have been paid to such a creditor will be distributed to other creditors, unless the Court orders otherwise. This also applies to creditors who may claim an interest in, or lien on, property which is removed from the protection of the automatic stay by another lienholder or released to another lienholder, unless the Court orders otherwise.

If a tax creditor files a claim which is allegedly a secured claim but does not timely object to confirmation of this plan, then the claim may be paid as a priority claim.

If a claim is listed in the plan as secured, and the creditor files a proof of claim as an unsecured creditor, the creditor may be treated as unsecured for purposes of distribution under the plan.

The debtor(s) will not incur indebtedness or sell property outside the ordinary course of business without permission of the Court.

The debtor(s) is/are responsible for protecting the non-exempt value of all property of the estate and for protecting the estate from any liability resulting from operation of a business by the debtor(s).

If a claim is scheduled as unsecured, and the creditor files a proof of claim alleging that the claim is secured, but does not timely object to the confirmation of the plan, then the creditor may be treated as unsecured for purposes of distribution under the Plan. This paragraph is not intended to limit the right of a creditor affected by this paragraph to seek relief from the stay or to object to the discharge of the debt. Nothing in this paragraph shall be deemed to affect the lien rights of the creditor except as otherwise specifically provided under the plan or by order of the Court.

Nothing herein is intended to waive or affect adversely any rights of the debtor, chapter 13 trustee, or party with respect to any causes of action.

9. Pay order request or other plan provisions not inconsistent with the above:
