MOTION TO VALUE CLASS FOUR CLAIMS

[]	There are no Cl	ass Fou	r Claims	
[]	Class Four Clair	ms are t	reated as	follows:

The Debtor moves to value the collateral indicated below. The Trustee shall pay allowed secured claims the value of the collateral as indicated, in full, over the duration of the plan. The Trustee will pay interest on the secured portion of the claim at the prime rate in effect on the petition date, plus 2 percentage points, unless a different rate is stated. Total interest required to be paid over the life of the plan may be determined by the following formula: Interest = Principal (rate of interest x term). The actual amount and timing of the payment(s) on the secured portion of the claim are subject to the discretion of the Trustee. The amount of the creditor's claim in excess of the Debtor's valuation for the collateral shall be treated in Class Six as an unsecured claim if the creditor timely files a proof of claim. A claim with collateral listed at NO VALUE in the Debtor's Valuation column below will be treated as an unsecured claim and the lien is avoided pursuant to 11 U.S.C. § 506.

Claim #	Creditor	Collateral	Amount Owed	Debtor's Valuation	Interest Rate	Total Paid in Plan

NOTICE OF HEARING TO VALUE SECURED PROPERTY

Notice is given pursuant to § 506(a) that the Debtor moves to value the secured property listed in Class Four of this plan. The Debtor is the owner of the property serving as collateral, is aware of its condition, and believes that its value is as set forth above. If an objection is filed and remains unresolved before confirmation, a § 506 valuation hearing will be held on the date and time set for the confirmation of the plan. If you object to the motion as contained in the plan, you must file your objection(s) within 10 days following the date first set for the § 341 meeting of creditors. In cases where the plan is not filed within 10 days before the date first set for the § 341 meeting of creditors, objections must be filed within 20 days after the filing of the plan.

CAUTION

At the Debtor's option, the Debtor may file a separate motion to value, in which case the affected creditors will be sent either: (1) a notice allowing the affected creditor 20 days to file an objection to the Debtor's valuation; or (2) a notice setting the motion for hearing. If the Debtor files a motion to value that is separate from this Plan, the court will adjudicate the issue based on the separately filed motion and not pursuant to the terms of this plan. In the event the court has granted the Debtor's separate motion to value, affected creditors may not object to confirmation of the plan on the grounds of valuation. In the event a separate motion to value is filed listing collateral at a lower value than originally set forth in the plan, and the Trustee has made adequate protection payments pursuant to the plan, the creditor may retain any funds paid by the Trustee before the entry of an order of valuation to the extent that the amount of the payments are greater than the value as set forth in the motion.

CLASS FIVE: Secured Collateral to be Surrendered or Sold

[] There	are i	no Cl	ass F	ive	claims
Γ	1 There	are	Class	Five	cla	ims.

The Debtor proposes to surrender or sell the following collateral:

Claim #	Creditor	Collateral	Amount Owed	Debtor's Valuation of the Collateral	Indicate if Surrendered or to be Sold	Time to complete sale, if applicable

For property the Debtor proposes to sell, a separate Motion and proposed Order must be filed which provide the details of the sale. Court approval also must be obtained for the hire and use of a professional to sell property. After the payment of secured debts and the costs of sale, all net proceeds shall be paid to the Trustee for distribution. Property to be sold by the Debtor that is not sold in the applicable time period will be surrendered to the creditor unless the Trustee requests additional time, or unless the Debtor modifies the plan to retain the collateral and cure existing defaults. A secured creditor entitled to a deficiency claim must file that claim within 90 days of the date that the real or personal property is surrendered by the Debtor, or within 30 days of a sale that is conducted by the Debtor. After the payment of secured debts and the costs of sale, a report accounting for the sale shall be made and all net proceeds shall be paid to the

Trustee for distribution.

CLASS SIX: Timely Filed and Allowed Non-Priority Unsecured Claims.

Class Six claims will be paid pro rata. The Debtor estimates that Class Six claims will receive _____% of their claims. Payment of any dividend will depend on the amount of secured and priority claims allowed and the total amount of all allowed unsecured claims. No payment will be made until unsecured priority claims are paid in full, and no payment will be made on Scheduled claims unless a proof of claim is filed.

The value as of the effective date of the plan of property to be distributed in the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the Debtor was liquidated in Chapter 7 of the Bankruptcy Code on that date. The percentage distribution to general unsecured creditors in Chapter 7 is estimated to be ______%, as shown on Exhibit A attached hereto.

CLASS SEVEN: Executory Contracts / Unexpired Leases

The following executory contracts and/or leases are held by the Debtor. The treatment of each lease/contract is set forth below. The Debtor shall surrender any property covered by rejected executory contracts or leases to the affected creditor no later than the date this plan is confirmed.

Claim #	Creditor	Indicate if Assumed or Rejected and identify the item leased	Monthly payment (Indicate if payments will be made in the plan (Y/N)	Arrearage amount	Total Paid in Plan Through the Trustee

CLASS EIGHT: Post-Petition Claims Under Bankruptcy Code § 1305.

Unless a timely objection is filed, post-petition claims allowed under § 1305 shall be paid, in full, in equal monthly installments. Payments shall commence no later than 30 days after the filing of the claim, and conclude on or before the date of the last payment in the Plan, unless otherwise ordered by the Court.
